A message from Tina

“ Chronic Illness doesn't define us...
GOD DOES!

Sometimes we are not be able to physically
serve Him with our hands and feet, however
we can ALWAYS serve Him with our HEART!
The heart is vital for life. Serve with a Godly
heart and you can never go wrong. ”

You didn't choose
to be sick & you
didn't cause your
sickness

It's completely
beyond your
control, trust in
the Lord

You are doing your
best even on your
worst days

It's
NOT
your
fault

It does NOT define
you, you are more
than your illness

Your illness is
NOT a
punishment and
you don't
deserve it

It does not make
you weak or a
failure
